CLEAR OR BLACK TUBING

*The Water Well
 Products
 used by
 PROFESSIONALS*

Well Pro Quality Features

Inside Adhesive Bonds To Wire

Shrink tube bonds to splice and cannot be slid down off splice like some competitors' shrink tubing.

Well Pro Tubes Have Adhesive Not Just Sealant

The correct quantity of **adhesive** you need, not just a glob of sealant at the end of the tube like others.

Well Pro's Clear Tubing

Allows visual inspection during and after installation plus bonds to wire.

Extra Heavy Wall Thickness

For those installations or contractors that require an extra heavy shrink tube.

Customized Splice Kits available with Distributor Name or Logo and Distributor Part Number (No extra cost).

NEW!!!

12 Pack Zipper Seal Package

available in Standard Black, Extra Heavy Black, Standard Clear and Extra Heavy Clear Heat Shrink Tubing.

A popular package with contractors.
